Dear Child Care Provider,

This letter is in regards to the 2-16-15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. *(add poison control number)*
- ☐ 110.5(1)b All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child. *(keep chemicals locked)*
- ☐ 110.5(1)e All electrical cords are properly used. This means not found under rugs, over hooks, through door openings, etc. *(secure cords in playroom)*
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. *(must post at both exits)*
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas. *(must post)*
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. *(make visible or put sticker on door)*
- ☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes. *(must test and document)*
- ☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment. (3)

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. (2)

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (3)

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health. (2)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

**Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,

Amanda Nash  
Social Worker II

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 641-424-9559.

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to [http://dhs.iowa.gov/sites/default/files/CC\\_Professional\\_Development.pdf](http://dhs.iowa.gov/sites/default/files/CC_Professional_Development.pdf) and you can sign up for training at <http://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
